as lawyers we must not in hot pursuit of common law outrun common sense the dread of that eventuality prompted this book learned writing promotes common sense in legal language plain language which is commonsensical broadens access to legal documents thus democratizing the law if democracy is government of the people by the people and for the people law is the language in which government interacts with the people it is the language of democracy the people whose government speaks through law must understand what is said no democratic society should brook legalese a dense verbose dialect known only to lawyers what then should society do to redress the lawyer induced obscurity a shakespearean character had an alarming proposal the first thing we do let s kill all the lawyers apparently that proposal was not enthusiastically endorsed which explains why we re still here a milder remedy enrolling lawyers in language classes has been muted which explains why this book is in your hands learned writing motivates lawyers to prefer plain language to the legalese and verbosity that have besmirched legal writing for centuries this book is as sweeping a treatment of its subject as you can find anywhere

this widely used guide for students has long emphasized the excitement of historical discovery rooted in writing about the past this new edition continues that emphasis while also affirming the contemporary significance of the search for truth in historical writing it includes new and revised sections related to electronic technologies as well as updated examples of recent historical scholarship throughout it maintains the welcoming accessible and inclusive tone of previous editions while walking students through complex ideas and established writing standards as it has since its inception the tenth edition of a

short guide to writing about history helps students confront and conquer any of the challenges they might face in writing about history
